

MANAGEMENT SYSTEM CERTIFICATE

Certificate No:
195783-2016-AE-ARG-OAA

Initial certification date:
22, February, 2016

Valid:
05, December, 2015 - 15, September, 2018

This is to certify that the management system of

TECHINT COMPAÑIA TECNICA INTERNACIONAL SOCIEDAD ANONIMA COMERCIAL E INDUSTRIAL

Bouchard 557, Piso 16°, C1106ABG, Ciudad Autónoma de Buenos Aires, Argentina
and the sites as mentioned in the appendix accompanying this certificate

has been found to conform to the Environmental Management System standard:
ISO 14001:2004

This certificate is valid for the following scope:

Conceptual design, basic and detail engineering, procurement, installation and construction, commissioning, start-up, maintenance, services and integrated project management in the following fields: up-stream and down-stream oil and gas processing facilities (separation and treatment plants, refineries, offshore installations, etc.), chemical and petrochemical plants, industrial plants and manufacturing facilities in general, power generation plants and power transmission systems, civil works for transportation, and hydraulics infrastructure among others, building construction, telecommunications systems, nuclear power plants and facilities, pipelines for fluids such as oil, gas and water among others as well as minerals, aluminum plants, steel plants, mining and mineral processing facilities as well as general civil and industrial infrastructure works.

Place and date:
São Paulo, 23, February, 2016

Management Representative

Certificate No: 195783-2016-AE-ARG-OAA
Place and date: São Paulo, 23, February, 2016

Appendix to Certificate

TECHINT COMPAÑIA TECNICA INTERNACIONAL SOCIEDAD ANONIMA COMERCIAL E INDUSTRIAL

Locations included in the certification are as follows:

Site Name	Site Address	Site Scope
TECHINT COMPAÑIA TECNICA INTERNACIONAL SOCIEDAD ANONIMA COMERCIAL E INDUSTRIAL - Techint Cia Téc. International SACI - Oficinas Centrales y Operaciones	Bouchard 557, Piso 16°, C1106ABG, Ciudad Autónoma de Buenos Aires, Argentina	Conceptual design, basic and detail engineering, procurement, installation and construction, commissioning, start-up, maintenance, services and integrated project management in the following fields: up-stream and down-stream oil and gas processing facilities (separation and treatment plants, refineries, offshore installations, etc.), chemical and petrochemical plants, industrial plants and manufacturing facilities in general, power generation plants and power transmission systems, civil works for transportation, and hydraulics infrastructure among others, building construction, telecommunications systems, nuclear power plants and facilities, pipelines for fluids such as oil, gas and water among others as well as minerals, aluminum plants, steel plants, mining and mineral processing facilities as well as general civil and industrial infrastructure works.
TECHINT COMPAÑIA TECNICA INTERNACIONAL S.A COMERCIAL E INDUSTRIAL - Techint Engenharia e Construção S/A - Oficinas Brasil	Rua Tabapuã 41, 14° Andar, CEP 04533-010, Itaim Bibi, São Paulo-SP, Brazil	Conceptual design, basic and detail engineering, procurement, installation and construction, commissioning, start-up, maintenance, services and integrated project management in the following fields: up-stream and down-stream oil and gas processing facilities (separation and treatment plants, refineries, offshore installations, etc.), chemical and petrochemical plants, industrial plants and manufacturing facilities in general, power generation plants and power transmission systems, civil works for transportation, and hydraulics infrastructure among others, building construction, telecommunications systems, nuclear power plants and facilities, pipelines for fluids such as oil, gas and water among others as well as minerals, aluminum plants, steel plants, mining and mineral processing facilities as well as general civil and industrial infrastructure works.
TECHINT COMPAÑIA TECNICA INTERNACIONAL SOCIEDAD ANONIMA COMERCIAL E INDUSTRIAL - Techint Chile S.A.	Rosario Norte N° 30 Piso18, 7561185, Las Condes, Santiago de Chile, Chile	Conceptual design, basic and detail engineering, procurement, installation and construction, commissioning, start-up, maintenance, services and integrated project management in the following fields: up-stream and down-stream oil and gas processing facilities (separation and treatment plants, refineries, offshore installations, etc.), chemical and petrochemical plants, industrial plants and manufacturing facilities in general, power generation plants and power transmission systems, civil works for transportation, and hydraulics infrastructure among others, building construction, telecommunications systems, nuclear power plants and facilities, pipelines for fluids such as oil, gas and water among others as well as minerals, aluminum plants, steel plants, mining and mineral processing facilities as well as general civil and industrial infrastructure works.

Lack of fulfilment of conditions as set out in the Certification Agreement may render this Certificate invalid.

ACCREDITED UNIT: Det Norske Veritas SA, Pasaje Santos Discépolo 1859, 5to piso, (C1051AAA) Ciudad Autónoma de Buenos Aires.
