

# MANAGEMENT SYSTEM CERTIFICATE

Certificate No:  
279328-2018-AHSO-ARG-UKAS

Initial certification date:  
22 February 2016

Valid:  
22 February 2019 - 22 February 2022

This is to certify that the management system of

## **TECHINT COMPAÑIA TECNICA INTERNACIONAL SOCIEDAD ANONIMA COMERCIAL E INDUSTRIAL**

Bouchard 557, Piso 16 y 17, C1106ABG, Ciudad Autónoma de Buenos Aires, Argentina  
and the sites as mentioned in the appendix accompanying this certificate

has been found to conform to the Occupational Health and Safety Management System  
standard:

**ISO 45001:2018**

This certificate is valid for the following scope:

**Conceptual design, basic and detail engineering, procurement, installation and construction, commissioning, start-up, maintenance, services and integrated project management in the following fields: up-stream and down-stream oil and gas processing facilities (separation and treatment plants, refineries, offshore installations, etc.), chemical and petrochemical plants, industrial plants and manufacturing facilities in general, power generation plants and power transmission systems, civil works for transportation, and hydraulics infrastructure among others, building construction, telecommunications systems, nuclear power plants and facilities, pipelines for fluids such as oil, gas and water among others as well as minerals, aluminum plants, steel plants, mining and mineral processing facilities as well as general civil and industrial infrastructure works.**

Place and date:  
London, 13 December 2018

For the issuing office:  
**DNV GL – Business Assurance**  
4th Floor, Vivo Building, 30 Stamford  
Street, London, SE1 9LQ, United Kingdom

**Erie Koek**  
Management Representative

Certificate No: 279328-2018-AHSO-ARG-UKAS  
Place and date: London, 13 December 2018

## Appendix to Certificate

### TECHINT COMPAÑIA TECNICA INTERNACIONAL SOCIEDAD ANONIMA COMERCIAL E INDUSTRIAL

Locations included in the certification are as follows:

| Site Name                            | Site Address  | Site Scope   |
|--------------------------------------|---|--|
| TECHINT CHILE S.A.                   | Cerro El Plomo 5420, Piso 16,<br>7561185, Las Condes, Santiago de<br>Chile, Chile         | Conceptual design, basic and detail engineering, procurement, installation and construction, commissioning, start-up, maintenance, services and integrated project management in the following fields: up-stream and down-stream oil and gas processing facilities (separation and treatment plants, refineries, offshore installations, etc.), chemical and petrochemical plants, industrial plants and manufacturing facilities in general, power generation plants and power transmission systems, civil works for transportation, and hydraulics infrastructure among others, building construction, telecommunications systems, nuclear power plants and facilities, pipelines for fluids such as oil, gas and water among others as well as minerals, aluminum plants, steel plants, mining and mineral processing facilities as well as general civil and industrial infrastructure works. (EA/IAF-28 for construction) |
| TECHINT CIMMIMONTUBI<br>NIGERIA LTD. | Kajola House, 4th Floor, 62/64,<br>Campbell Street, Lagos Island, Lagos<br>State, Nigeria | Conceptual design, basic and detail engineering, procurement, installation and construction, commissioning, start-up, maintenance, services and integrated project management in the following fields: up-stream and down-stream oil and gas processing facilities (separation and treatment plants, refineries, offshore installations, etc.), chemical and petrochemical plants, industrial plants and manufacturing facilities in general, power generation plants and power transmission systems, civil works for transportation, and hydraulics infrastructure among others, building construction, telecommunications systems, nuclear power plants and facilities, pipelines for fluids such as oil, gas and water among others as well as minerals, aluminum plants, steel plants, mining and mineral processing facilities as well as general civil and industrial infrastructure works. (EA/IAF-28 for construction) |

Lack of fulfilment of conditions as set out in the Certification Agreement may render this Certificate invalid.
